

<http://www.candlelightcab.com/pages/product/drawer>

Discover Candlelight's superior construction in our "Signature" drawer. Solid woodworking combines with top-notch hardware for unparalleled quality and efficiency.

1. 3/8" thick multi-ply plywood bottom rabbeted in place
2. 5/8" thick Hard Maple drawer sides, back and front
3. Extra deep, standard base drawers 4 1/2" high
4. Galvanized steel corner brackets screwed in place
5. Galvanized steel support brackets, fully adjustable
6. Wider interior storage
7. 21" length full size drawer
8. Durable 1/8" radius edge drawer side
9. Finger-joint dovetailed drawer sides
10. Fully finished to the same standards as our cabinet fronts

11. Full-extension hardware is ergonomic, maximizes storage space and is rated to hold up to 125 pounds!

BLUMOTION

Pushed gently or with force, BLUMOTION will close a drawer softly and silently every time.
